

NIBAH NISAR KONDEVILKAR

Web Developer- Fresher

PROFILE

A passionate and curious Computer Science student currently pursuing an MSc in Computer Science. With a foundational but steadily growing knowledge of web development and programming, I have hands-on experience working with PHP, MySQL, HTML, CSS, Java, and Python at a beginner level. While I'm still learning, I'm eager to improve my skills, explore new technologies, and gain real-world experience. I'm looking for an entry-level role where I can apply my skills, grow as a developer, and make a meaningful impact in a forward-thinking organization.
